A CULTURAL LEARNING EXPERIENCE

LIFE.CHANGING

DESTINATION – CANADA

VICTORIA BC, CANADA THE CITY OF GARDENS

Royal Roads University is located just 15 minutes from downtown Victoria, one of the top tourist destinations in the country. * Our mild climate lets you take part in outdoor activities like hiking, golfing, skiing, swimming, and more, year round. Stay inside and enjoy a meal in one of our many quality restaurants, or shop for souvenirs and the latest in local and international styles. No matter what your preference or budget, you will create special memories in Victoria.

**Conde Nast Traveler and Travel + Leisure*

A photograph of a man and a woman smiling and talking outdoors. The man is on the left, seen from the side, wearing a dark blue shirt. The woman is on the right, facing him, with short dark hair and a bright smile. They are standing in front of a building with green foliage. The background is slightly blurred.

CONTRACT TRAINING SOLUTIONS

At RRU, our custom programs provide you with an enjoyable learning experience, both in the classroom and the real world. Our programs are tailor made - allowing you to develop your communication skills, experience new cultures and environments, and create memories that will last a lifetime. Our programs are available in varying lengths of time, on any topic you require, and can be delivered on our RRU campus or closer to home.

We can develop customized programs in the following areas:

- Business
- Communication and Culture
- Education and Technology
- English as a Second Language
- Environment and Sustainability
- Humanitarian Studies
- Leadership Studies
- Tourism and Hospitality

POTENTIAL OFF-CAMPUS ACTIVITIES

- Visit local tourist attractions
- Apply classroom theory on educational excursions
- Explore downtown
- Experience Canadian outdoor recreational activities

CHANGE YOUR WORLD

The programs at Royal Roads University facilitate a life-changing experience. Our learning environment gives you the ability to build your confidence and expand your horizons while learning about Canadian culture. During your stay in Victoria, you will create exciting new memories while enjoying different activities and meeting new people. When your time with us is through, and you are heading home, you will already be planning your next visit!

ABOUT RRU

We are a fully accredited public university, specializing in the delivery of leading-edge applied and professional programs. We've built a global reputation on quality programs for aspiring professionals and students who want to advance their career. The education we provide goes beyond the classroom, allowing our students to practice thinking critically while applying their knowledge in the real world. Experience the RRU difference for yourself.
